First Kids is a preschool and mother's morning out ministry of First Baptist Church of Centerville and a member of Association of Christian Schools International. The program's goal is to provide a safe, nurturing environment for your children where they can learn how much they are loved by God. Our teachers and staff have years of experience, and our Pre K class is taught by a teacher with accredited degrees in early childhood education as a minimum requirement.

First Kids uses the A Beka curriculum to teach preschoolers skills such as letters, numbers, shapes, colors, and language arts. This is done through a multi-sensory approach to learning which focuses on fun and repetitive activities to reinforce learning concepts.

First Kids MMO program offers a safe and loving environment for your child. This program offers a wonderful opportunity for your child to develop social skills and how to interact with other children.

Most importantly, children learn Scripture verses and basic Bible stories, with the goal of spiritual development. Music, art and recreation complete First Kids' whole-child approach to education. Special activities such as seasonal events, guest speakers, and musical programs allow children to fully enjoy their First Kids experience. (Our seasonal programs are for preschool students only)
